A close-up photograph of two pieces of pique fabric. The top-left portion is a bright yellow fabric, and the bottom-right portion is a white fabric. Both fabrics feature a distinct pique texture, characterized by small, raised, diamond-shaped or waffle-like patterns. The fabrics are draped and folded, creating deep shadows and highlights that emphasize their tactile quality. The text 'PONPON' is centered over the image in a large, bold, black, sans-serif font.
